# Today's Matchups!

Tuesday at the Captain's meeting, the main order of business was to establish the Knockout matchups. Gupta, Rosenberg, Bramley and Rasmussen, having finished highest up in their respective RR brackets, chose their opponents from among the rest of the field.

Before the meeting, in this order, using email, Gupta chose Bishel. Rosenberg chose Tebha. Bramley chose Dawson.

Rasmussen, the last to respond, wrote a really thoughtful response with his choice of team Nickell.

**"Rasmussen team selects Nickell.**

**We entered the event to play against (and hopefully beat) top level teams. While all the teams left for us are good we think Nickell is the strongest :)"**

Three of the people included on the email (Al Hollander, Jan Martel, and Suzi Subeck) unsurprisingly expressed the sentiment that this was a really meaningful gesture and thought it should be shared in the Bulletin. Jim acquiesced and suggested that I mention, in the interest of full disclosure, that if this were the USBC qualifying for the Bermuda Bowl, team Rasmussen would have chosen differently!!

A chemist walks into a pharmacy and asks the pharmacist, "Do you have any acetylsalicylic acid?"  
 "You mean aspirin?" asked the pharmacist.  
 "That's it! I can never remember that word."

A physicist, a biologist, and a chemist were going to the ocean for the first time. The physicist saw the ocean and was fascinated by the waves. He said he wanted to do some research on the fluid dynamics of the waves and walked into the ocean. He drowned and never returned. The biologist said he wanted to do research on the flora and fauna inside the ocean and walked into the ocean. He, too, never returned. The chemist waited for a time and wrote the observation: "Physicists and the Biologists are soluble in ocean water."

# Kibitzing on VuGraph

There will be deferred kibitzing in the KO as there was in the Round Robin:

## KIBITZING SCHEDULE FOR THE KO (EST)

Quarter 1: 12:30 pm

Quarter 2: 2:35 pm

BREAK

Quarter 3: 6:25 pm

Quarter 4: 8:30 pm

To kibitz, go to [the RealBridge kibitzing website](#), enter your name and click on Log In. That will take you to a screen where you can select the event to kibitz.

After you select Kibitz JLall Online Teams #5, you will be taken to a lobby with a list of tables on the left and a chat box and list of people on the right. The table listing shows the team & player names at each table, as well as the board being played. There will be information about the number of kibitzers and whether there is audio/video commentary (a picture of a TV means there is). Click on a table to kibitz it.

At the table, you will see a hand diagram, and the bidding and play as it happened.

There is a chat window on the right of the screen. You can type chat into the chat window.

Some things you can do to get more information:

If there is an asterisk next to a bid, that means it was Alerted/Explained. Click on the bid to see the explanation.

-- "Rewind" using the slider underneath the "table." Move the handle to the left to go to earlier tricks.

-- Click on the "Scores" button to the left of the South player's name to get a scorecard for the match.

----Click on a board number to see the hand record and results at all of the tables.

----You can also click on a number in a yellow box to get to the hand record from some screens.

----In the hand record screen, click on a result to see the bidding and play at a specific table.

--In the upper left corner:

----Click on the yellow box with 4 little boxes to get the match scores for all the matches (that will be IMPs and for the Round Robin will not include scores from previous rounds).

----Click on the yellow box with 3 bulleted lines to get Cross-IMPs for the pairs (that will be just for this match).

The Scores information is also available in the lobby using the button at the upper right should you want to check on scores before deciding which table to watch.

## TIMING OF DEFERRAL

The Round Robin matches will be deferred until each round is completed.

The first half KO matches will be deferred for half an hour or until each board has been played at all tables, so there may sometimes be a period when nothing new is being shown because one or two tables are very slow to play the board. **For the**

**second half of the KO matches, the delay will be until the quarter is scheduled to be completed, so players will not be able to get useful state of match information. That means that the 3rd quarter kibitzing will start at 6:25 EST.**

Watching online,  
Even delayed,  
Is the best way to see  
How a hand's bid and played!

Q. What rock group consists of four famous men, but none of them sing? A. The faces on Mount Rushmore!

Q. What five-letter word becomes shorter if you add two letters to it? A. "Short" (add +"er")!

Q. I'm the size of an elephant, but I weigh nothing. What am I? A. An elephant's shadow!

In Monday's JFall Daily Bulletin, we "showcased" Board 23 at several tables because it presented interesting problems for both the offense and the defense. (see pages 17-18)

And in Tuesday's "Round Robin Round Up" Bulletin, we re-visited the hand after Jerry Clerkin pointed out the exciting defense at the table where he was playing. (see page 5)

During this week's "break" in the play between the Round Robin and head-ups, Jonathan Weinstein had another observation to share based on the action at his table:

*"I just wanted to mention on hand 23 where the play in 3NT was written up in the bulletin at several tables, it said a spade opening lead beats the contract. However six of seven declarers who faced a spade lead made the contract, as I did! I guessed the diamonds and so did others, presumably. South had overcalled showing 5 spades, and you also need him to have 3 clubs, (or 4 with the HA for a squeeze), it becomes percentage to finesse his partner for the DJ. 9 on top!"*

Tom Carmichael S			

Against 3NT, Jenni led the S7. Jonathan won his king and immediately played the DA followed by a diamond to the nine!

Jon cashed the DQ, played a club to his hand, cashed his last diamond and when clubs split, he had nine tricks!

Jonathan's play is favorable since Jenni's lead of the seven looked to be either top of a doubleton or low from AT7.

Giving RHO 8 black cards as Jon suggests would leave LHO with 7 red cards. That alone makes Jon's line best in this situation.

Wayne Stuart finessed the diamond against Bathurst/Hurd. He, however, tested clubs first and gave up on the possibility of a singleton DJ, cashing four rounds of clubs and taking a first round finesse to the D9.

Randy Howard won the S7 with the king, played the DA, a diamond to the queen, a diamond back to his king, and when the jack did not fall, he played a heart toward the king. Farid Assemi DUCKED! This gave declarer his needed 9th trick. Had Assemi popped with the HA, his side could have cashed out the spades to set the contract!

At only one other table was a spade led. Geoff Brod led the S7 blind. His partner neither doubled a spade bid nor overcalled the suit. West opened 1D and rebid 2NT over his partner's 1H call. East raised to game. Disa, declarer, won the S7 with her SK, cashed the DA and led a diamond to the queen. When the jack did not appear, Disa disdained another round of diamonds or testing the club suit in favor of a heart to her queen and North's ace. Brod had no idea how well his lead had worked. Accordingly, he switched gears. After winning his HA, he shifted to CT and Disa had the timing to successfully bring home her game!!

## Re-Visiting Board 23 from Sunday's Play

# Meet the Players!

Q. A prisoner is forced to go into one of three rooms, but he can choose which room. The first room is ablaze with fire. The second one is rigged with explosives that will go off as soon as he enters. The third contains a pair of lions who haven't eaten in years. Which room should he choose to survive?

A. The third room—any lions who hadn't eaten in years would be dead!

**Cornelius Duffie** grew up in the SF Bay Area where he learned to play bridge in middle school. He attended McGill University in Montreal.

His favorite bridge score: two hearts making (plus eleventy)

His favorite color: Not Red.

His favorite cloud: scud

His favorite convention: double of a one heart opening bid showing an opening hand with short hearts and support for the other suits

Cornelius is playing in the JLall5 as a member of the Rosenberg team in partnership with Brent Xaio.

Q. I am a word that begins with the letter I. If you add the letter A to me, I become a new word with a different meaning, but that sounds exactly the same. What word am I? A. Isle (add A to make "Aisle")

Q. A man is washing windows on the 25th floor of an apartment building. Suddenly, he slips and falls. He has nothing to cushion his fall, and no safety equipment—but he doesn't get hurt. How is this possible?

A. He's washing windows *inside* the building.

**Brent Xaio** was born and raised in Silicon Valley and is studying Statistics and Machine Learning, and Computer Science at Carnegie Mellon University in Pittsburgh, PA.

He has been playing bridge since age 12 and was a member of Silicon Valley Youth Bridge until graduating from the program in 2018. Notably, he represented the USA U21 team in the world youth championships in 2018.

Q. You find me in December, but not in any other month. What am I?  
The letter D!

Q. I weigh nothing, but you can still see me. If you put me in a bucket, I make the bucket lighter. What am I?  
A hole!

# Limey Jack

Cheers, Yanks:

Limey Jack has the goods and is like a loaded lorry dashing toward Howie Dung. Ring the punter and bring a bob or two.

In the knockouts, Howie Dung provides a load of tosh whilst Limey Jack has elevenses (Ed. Note-morning snack) as he gets them all smash on.

Gupta-Bishel: The one seed will glide forward and carry Mr. Gupta's honour as far as permitted.

Rosenberg-Tebha: As long as they do nothing numpty, Rosenberg will triumph.

Bramley-Dawson: An upset occurs rarely, but happens here. Can you just hear M. Dung saying Oh, my giddy aunt.

Rasmussen-Nickell: Nickell finds itself in the unlikely position of being the underdog for once, but fear not.

Lall-Lewis: Another upset comes a callin' as Lewis pulls a one off.

Rosenthal-Baseggio: Rosenthal is justifiably favoured but Limey Jack senses them being rinsed as he does not like the makeup of this squad.

Lo-Donner: On paper Donner looks the part, but Lo is waiting to strike

Levine-Hill: Levine has one more bell to be rung.

Limey Jack is off to Bedfordshire.

---

# Howie Doing...

On to the KO's on Friday Day one,  
Who will be left when this round is done?

Gupta v Bishel? On this one I'm swearin'...  
Gupta continues in memory of Naren!

Rosenberg/Tebha, while harder to call.  
Rosenberg stays while Tebha will fall!

Bramley v Dawson, unless there's a glitch,  
Bramley plays on ... Good bye Mark and Mitch!

Rasmussen v Nickell, though chances are slim,  
After reading page one, the crowd's cheering, "JIM!"

In Lewis v Lall, Lewis goes on.  
It's steady and ready with Ron and with Donn!

Rosenthal's "mixed" a further berth earn.  
Kibitzers fiddle and watch Roman burn!

Donner goes high. For Lo, that is it.  
Unless they've a problem and then it's "oh Shit!"

Hill v Levine, while not quite a race...  
Levine will do fine if he picks up the pace!

Good luck to all. Hold off on the wine.  
Make Howie proud ... He'll be watching online!

Till tomorrow...

Ed. Note:

With the delayed broadcasting and the use of the Round Robin, it will be especially challenging to write up the hands. If anyone has a hand of interest, please submit it to me at [stansubeck@prodigy.net](mailto:stansubeck@prodigy.net). I also welcome any human interest stories, news or gossip!!

Thanks.

## Ingredients

### HERB BUTTER

- 10 Tbsp (143 g) unsalted butter, divided, at room temperature
- 3 Tbsp (7.5 g) curly parsley, chopped
- 3 Tbsp (7.5 g) dill, finely chopped
- 2 Tbsp (6 g) chives, finely chopped
- 1 clove garlic, minced
- Juice from ½ lemon
- Pinch of salt

### CHICKEN

- 6 5-oz (142-g) boneless chicken breast halves
- Salt and pepper to taste
- ¾ C (95 g) flour

- 2½ C (148 g) panko
- ½ C (118 ml) vegetable oil

# Chicken Kiev

## Directions

### HERB BUTTER

In a small bowl, mix 8 T (115 g) of the butter with parsley, dill, chives, garlic, lemon juice and salt. Form into a 1½-inch (3.8-cm) thick roll covered with plastic wrap and freeze for 1 hour.

### CHICKEN

Preheat oven to 325°F (165°C). Place a chicken breast into a plastic baggie; gently pound with the flat side of a meat mallet or a small heavy saucepan until about ⅛ inch (3 mm) thick. Remove from bag; season with salt and pepper. Repeat with remaining chicken. Remove herb butter from freezer and cut into 6 pieces and place one on each breast; roll chicken up to cover; secure with a toothpick. Place flour, eggs and panko in three separate shallow bowls. Roll each chicken breast in flour, then egg, then panko. Heat oil and remaining butter in a large skillet over medium heat; cook chicken until golden brown on all sides, about 10 minutes. Transfer to a baking sheet and bake 30 minutes or until cooked through (180°F [82°C] on an instant read thermometer). Remove toothpicks; serve immediately.

Although traditionally served with potatoes, we recommended balancing this rich dish with steamed vegetables or a salad with vinaigrette.

## Answer on Page 11

Last Name	Street	Day of the Week	Amount Earned

Alex looked at the fallen leaves blowing around the yard last week and had a great idea. He went around to all the neighbors, offering his raking services to clean up their yards. He got five jobs for this week, a different neighbor each day. The neighbors all lived on different streets and each had a different yard size, so some days he made more than others. Determine the last name of each neighbor who hired him, what street each lived on, what day he worked for each neighbor, and how much each neighbor paid him.

- Alex worked for the Jones family on Monday afternoon and he earned \$10 more than the day he raked for the neighbor on West Street.
- He earned \$4 less working for the Bradley family than he did from the neighbor on School Street.

- On Friday, he worked on Oak Street but not for the Hayes family. The family on Main Street paid him \$10 more than the neighbor he raked for on Wednesday.
- He got \$29 from the May family but it wasn't on Tuesday.
- He worked for the Elliot family the day before he worked on Russell Street. He earned \$39 on Thursday.
- Alex raked the Elliot yard two days before the neighbor on Oak Street but one day after the neighbor who paid him \$43.

## Future USBF Events

### UNITED STATES BRIDGE CHAMPIONSHIPS

The USBF holds tournaments to select United States International Teams. The Open USBC, which selects teams for Open World Championships, is held every year; the Open USBC held each even numbered year that is not divisible by four selects one team for the next year's Bermuda Bowl. The Women's USBC, which selects teams for Women's World Championships, is held in three out of four years; there is no Women's USBC in even numbered years that are not divisible by four. The Senior USBC, which selects teams for Senior World Championships, is held in three out of four years; there is no Senior USBC in even numbered years that are not divisible by four. The Mixed USBC, which selects teams for the Mixed World Championships, is held in three out of four years. The Junior USBC, which selects teams for the World Junior Championships, is held in each odd numbered year, to select the teams for the following even numbered year.

### 2022 - TENTATIVE SCHEDULE

The 2022 World Championship will be the World Bridge Series, which is a completely Transnational tournament, to which the USBF does not send teams. Therefore, the only 2022 USBC will be the Open USBC, which will most likely have an online Round Robin to select 16 teams for face-to-face Knockout play at the Hyatt Regency in Schaumburg, Illinois. The exact format of the Round Robin will depend on the number of teams entered, but will be based on USBF general principles that any one stage of a Round Robin should not eliminate significantly more than 40% of the field, and if one cut is going to be steeper than another, the steeper cut should be in the earlier stage. The Knockout matches will be 2 days long, so the knockout stage of play will take a total of 8 days.

### 2023 - TENTATIVE SCHEDULE

The 2023 Open, Women's, Mixed, and Senior USBCs will be held in 2023. The Open USBC will select one team for the 2023 Bermuda Bowl. The other 3 USBCs will select two teams for their respective events. The face-to-face stages of play are likely to be in May. The exact rules that will apply to players who enter multiple events and qualify in an early event will be decided by the USBF Board in early 2022.

On Wednesday evening, Nickell/Katz played a practice round against the Subecks on RealBridge. There was a definite pattern three boards in a row that was definitely interesting ... On Board 9, Stan, West, held nine clubs. On Board 10, Stan held eight clubs. On Board eleven, Stan held seven clubs. What are the odds??

On Board 9, Katz, North, opened 2D Flannery: four spades, five hearts and 11-15 HCP. Nickell jumped to 4H on his AQ865, and Stan bid 5C on his solid nine card holding missing the KQJ!! This was passed around to Nick who doubled.

Katz cashed a high spade and switched to a heart. Stan ruffed and carelessly!! played the CA. This play actually risked the contract!! And, it held E/W to eleven tricks where twelve were always there for the taking. What if South held all three clubs... not unlikely given the double? Declarer, by his own admission, should have crossed to the DK and led the CQ from dummy.

In the post mortem, Nickell suggested that he should have bid 2NT, rather than 4H. West would still bid 5C, but Nick would know that this was a voluntary bid in an unstrained auction. Nickell could then bid 5H, rather than guessing to make a marginal double.

On Board 10, Suzi (East) opened 1S. Stan bid 2C (old style: non- game forcing). East rebid 2D and Stan bid a passable 3C.

East liked her quick tricks opposite the 2C/3C responses (presumably showing a good enough suit for her to pass with a void). Suzi wanted to make one more try for game and responded with 3D. Stan bid 4C which became the final contract.

Katz led a high heart, followed by a diamond. Declarer played the SA and a spade, trumped in hand.

The HQ was trumped in dummy and declarer crossed to his hand to drive out the CK for 11 tricks.

Holding declarer to ten tricks involves leading a diamond rather than a heart. Declarer must assess the diamond position correctly or even 4C might be defeated!!

(hand repeated for clarity)

On Board 11, the last of the club hands, West held seven clubs. It was Ralph's turn to shine.

Nick opened 1H in first seat. Stan preempted 3C, which was passed around to South. With all suits stopped and a strong heart suit, Nickell rebid 3NT.

Stan passed, and Katz made the winning call. He bid 4H on his small doubleton.

Ralph explained his reasoning at the table (one of the really nice things about RealBridge... the players can converse out loud in a casual game and discuss their reasoning in difficult situations. This is a plus in all cases but more so when a player of Katz's caliber speaks up.)

Katz reasoned that Nick must have exactly the sort of hand South holds. He worked out that his singleton club and decent spade suit would be most useful in a suit contract. With only a five-card heart suit and 18 or 19 HCP, Nickell might have reopened with a double, instead of bidding 3NT. Therefore Nick was marked with at least six good hearts.

Katz was 100% correct with his logic. The natural club lead defeats 3NT because Nick cannot come to nine tricks without knocking out the HA!!
