Kibitzing: THERE WILL BE DEFERRED KIBITZING FOR ALL OF THE 2023 USBCs ON LOVEBRIDGE

You can follow the USBC on the <https://vugraph.lovebridge.com/> website. When available, voice commentary may be accessed by clicking on the TV screen icon. If there is no sound, you must unmute.

What you see
Is what you get!
And with the “voice”
It’s better yet!
Thanks Kamels!!

Segment 1: 11:30 am
Segment 2: 1:45 pm
BREAK
Segment 3: 5:00 pm
Segment 4: 7:15 pm

Nail biting!

Do you want to be deeply involved? Choose the “Match view” at the starting page of your event. Your screen will be divided into four small screens – two of them showing the two tables of the match you choose, the other two having the scoresheet for your match and the current scores of the other matches. In the 2x2 view you can also personalize the content in all your windows. (The 2x2 view is not available on mobiles.)

Think together!

When watching a table, click on a name and choose “Kibitz”. Instead of seeing all 4 hands, you will see what the player sees, and you can decide what you would do and see whether your chosen player agrees.

More Information:

Be well informed and tell your friends: while following the play, you can click many items. The image of the sticker with the number of the board (upper right) takes you to the results of the board, in the bottom right corner the arrow takes you to the scoresheet, DDS shows the double dummy analyses, beside that there is a button for the other table of the same match, at the top left corner you can see the bidding with alerts and the explanations (mouse over), the tricks already played, and the double dummy analysis for the available number of tricks with the par score.

Navigation icons:

While surfing here and there in the vugraph, or amongst the archive sessions, there are icons to help you. You can go back to the main page with the “house” or to the standings with the “scores”. If you cannot see the icons, move your mouse, or touch your screen and they pop up immediately. There is also a built-in back button because the back button of your browser will always take you to the starting page. If this is not what you wanted, push next in your browser and you can continue where you were.

Replay:

After the event you can find every board from every table easily. While replaying the hands, the only surprise can be the way “next board” button works. If you have arrived from a scoresheet, it navigates through the scoresheet. If you have arrived from a screen where the results were shown for a given board, the same buttons move you through the list. Push every button and enjoy!

Kibitzing...

VACCINATION REQUIRED:

All players in the 2023 USBC's MUST be vaccinated against CoVid19.

Players must submit proof of vaccination to the USBF Secretary (Jan Martel) before play commences in the event.

2023 USBCs Hospitality

Although the Covid situation has improved, it is still out there. To keep our players and staff safe, we want to keep the number of people in the suite to a minimum at any one time. Our wonderful hostesses, Maya Alela and Marie-France Benoit will host you in our usual suite (Room 2321). Grab and go breakfast and lunch each day, except that on the first Monday and Tuesday, when lunch will be available in the Copper, Sage, and Maize meeting rooms off the corridor running from the hotel's front door to the back door.

Breakfast: From 8-10 am. There will be individually packaged cereal, fruit, hard boiled eggs, bagels, with some hot options. There will be individual butter, jam, peanut butter, and cream cheese, as well as condiment packages. Maya & Marie-France will be making coffee and will have individual packages of sugar, sweetener, and dairy & non-dairy creamers. For those of you who prefer Keurig coffee, that will also be available. We ask that you come to the suite, pick up a large to go container and put the smaller packages in that container to take with you. Then, as quickly as you can, go someplace else to eat.

Masks that cover your nose & mouth must be worn in the Hospitality Suite at all times. There will be a hand sanitizer station near the door and we encourage you to sanitize your hands before selecting your food.

Lunch will be available in the hospitality suite from 3-4 (the first half of play each day ends at 2:35; we encourage those of you who are sitting out the 2nd quarter to go early.) There will be a main dish (sandwiches, chicken, salads, pizza) as well as tuna salad, green salad, cheese, fruit and berries. Also, all the individual packages of add-ons we have for breakfast. Water and soft drinks will be available in refrigerators

Marie-France

More on Hospitality and Regulations...

Let us know what you want: If you have specific needs or prohibitions (allergies?), please let Maya or Marie-France know and they will do their very best to provide food that meets your needs.

Playing Rooms & Player's Break Room

We will have bottled water in the playing rooms and if there is a refrigerator in a playing room we'll stock it with soft drinks.

We will also have bottled water in the Player's Break Room (1321), as well as soft drinks, Nespresso, some packaged snacks, and some fruit. We are working in that room and would appreciate it if you try to keep voices low.

Masks will be required in playing rooms only if your screenmate asks you to wear one. You do not have to put on a mask when you summon a director or ask someone to bring you coffee or water or escort you outside to smoke.

In Athens, no one wakes up
before noon.
Dawn is tough on Greece

WHEN THE MOON HITS
YOUR EYE LIKE A BIG PIZZA
PIE, THAT'S AMORE.

WHEN YOU SWIM IN THE
CREEK AND AN EEL BITES
YOUR CHEEK, THAT'S A MORAY.

The inventor of the
umbrella was
originally going to call
it brella. ☔

But he hesitated.

Ed. Note: With delayed broadcasting, it is especially challenging to watch every hand for write ups. If anyone has a hand of particular interest, please send me the board number & match and I will review it. Email to stansubeck@prodigy.net.

Thank you.

World Bridge News...

The **Bermuda Bowl**, **Venice Cup**, **d'Orsi Senior Bowl** and the **Wuhan Cup** are for national teams, respectively Open, Women, Seniors and Mixed, representing their countries, qualified from the 8 WBF Zonal Conferences.

The **World Transnational Open Teams** is open, without any qualification, to all teams, national or transnational, which want to participate, accordingly to the conditions of contest.

The **World Bridge Teams Championships**, the oldest WBF Championship, grew out of private initiatives principally by the late Norman Bach. The first world championship for the Bermuda Bowl was held in 1950, in Bermuda, 8 years before the World Bridge Federation itself was formed. After the first event of the series, the Bermuda Bowl developed into a regular challenge match between the USA and the winners of the European Championship, but in 1957 the contest widened to included teams representing other zones of the WBF.

In 1974, in Venice, Italy, a new event was launched, the Venice Cup. It started as a challenge match between women's teams from the USA and Italy (Europe 's representative) and today it is the equivalent of Bermuda Bowl for women, organized under the same laws and format.

A third series, the Senior Bowl, for senior players was added in 2001. Ernesto d'Orsi, Past President of the WBF and a member of the WBF Committee of Honor and the WBF Executive Council, presented the d'Orsi Seniors Trophy for the winners of this Championship at the World Teams Championships held in Brazil in 2009.

In March 2018 in Philadelphia the Executive Council added a fourth series for Mixed Teams starting from 2019 in Wuhan, China. This new event was named after the City of Wuhan which presented the prestigious trophy and provided, and will provide for the future editions, replicas for the winners.

During their daily commute to work, five people listen to fiction audio books. Each one prefers a different genre. Due to the constraints of their cars, they listen to the books in a variety of ways – on cassette tape, CD, even iPod®! They all find that listening to audio books immensely improves their daily commute by reducing stress and giving them true enjoyment during the trip while still feeling like they’re doing something productive, instead of just wasting time while they sit in traffic. Determine the full name of each commuter, the title and genre of each book, and in what format each listens to their audio book.

- George Bentley didn’t listen to a tape. Ms. Vernal, whose first name wasn’t Julia, didn’t like fantasy novels. “To Tie the Knot” wasn’t a horror novel.
- The book, “An Elemental Matter”, was listened to by

the person whose last name was Ward, but not on a tape. Sally, whose last name wasn’t Silver, didn’t listen to “Resuming the Dawn”.

- The romance novel was titled “Something Wicked” but it wasn’t listened to by Julia. Ms. Larsen listened to an iPod but she didn’t like mainstream novels.
- The two people who listened to CDs were Rick and the person reading “On a Dark Night”. The mystery novel was on tape but its title wasn’t “Resuming the Dawn”.
- Julia didn’t listen to an iPod. Andrea, whose last name wasn’t Vernal, didn’t listen to a CD.
- Sally listened to a horror novel but “An Elemental Matter” wasn’t the title. Rick, who didn’t listen to “Something Wicked”, didn’t like mainstream fiction.

Meet the Players

Larry Robbins lives in Deerfield, IL, not far from the Schaumburg playing site.

He loves to play bridge but worries about the future of the game.

Larry is a renowned neurologist. His specialty is headache treatment and research. He has a headache center north and east of the playing site in Schaumburg (in case anyone is in need of a headache doctor during the competition!! No clue how that could happen...)

Larry has won a number of national team titles, including the Trials in 1996. He was a member of the USA team in Rhodes that year.

Larry is an avid hockey player.

From his Bridge Winners profile:

His favorite convention is Robins Nest... It should be... he created it! (*ed. Note: but why do they spell robin's wrong?*) In a Bridge World write-up several years ago, Larry explained the convention:

Opening 3NT=6+ spades with a side 5-card suit.

4C=6H and 5+clubs

4D=6H and 5+diamonds

Says Larry, "Robins Nest is a "place to land (nest) and I am a rob(b)in!"

His BBO username is lrobb98

He is a diamond life master.

Larry is playing in the Mixed USBC, partnering Cheri Bjerkan, on the Pollack team.

Bridge: A MindSport For All

Connects People, Challenges Minds

Sam Punch is an amazingly hard worker and a wonderful promoter of our game! She has worked wonders in the last several years organizing and heading BAMSA. We support her wonderful work and hope you support it too!

Bridge, Youth and Schools

Who am I? My name is Samantha Punch, Professor of Sociology at the University of Stirling, UK. I lead the international work of BAMSA.

What is BAMSA? *Bridge: A MindSport for All* (BAMSA) is a research project working collaboratively with bridge organisations to increase the number of players and transform the image of the mindsport.

BAMSA believes that bridge can be promoted as a potential solution to tackle big societal issues of social isolation, loneliness, mental health problems, inclusivity and healthy ageing.

BAMSA's new study

The new project aims to develop academic evidence that demonstrates the skills and wide-ranging benefits that bridge, as a mindsport, can offer young people. The study will investigate the benefits and challenges of teaching bridge in schools. The goal is to encourage schools to take bridge as seriously as chess, and mindsport education as seriously as physical education.

How can donating help?

By donating, you enable BAMSA to conduct this work in the USA as well as Europe. The funding pays for the researchers to interview school teachers, bridge teachers, pupils and parents to explore what helps and hinders learning bridge. The funds are used to develop practical resources from the findings to enable growth of youth bridge communities in USA and Europe.

How can I donate? ***All donations will be doubled* (matched by Levine Foundation)**

Online via the University website: www.stir.ac.uk/carddonate Scroll to the bottom of the page and choose single gift, this will direct you to our donation form where you can select "Bridge Research Project" as your designated cause.

Tax efficient giving for US donors: The University of Stirling is an approved institution with British Schools & Universities Foundation. You donate through their website stating that you wish the donation to go to the University of Stirling: www.bsuf.org/donate

From Jan Martel...

Once again this year, we've been able to persuade Ela, the wonderful massage therapist we've had in the past, to come to the Hyatt to help us unwind. Ela is flexible, but since she has a fairly long commute, she would prefer that we try to have 3 or 4 people in a row, which is why I am asking you to let me know in advance if you think you will want a massage on a specific day and in a specific time frame. If we all cooperate on this, I can set things up in advance.

Of course if you don't know now when you'll be sitting out or how much you will want a massage, you can talk to me in room 1321 when you're ready and I'll try to accommodate you. People who let me know in advance will get priority!

I will consult Ela as to what her fees are. I'll have her set up a table in my room (5117) and will give her a key to the room so she can access it.

On Board 3, 2H was played most often. Three tables reached a heart game, but only two succeeded. The game was never cold! Only one defender found the play to defeat 4H.

When Joan Millens held the North cards, she proved herself to be a formidable opponent...

Millens led the CA and continued with the C2. Botta ruffed in hand and played a small diamond toward dummy's king. **Millens rose with the ace**, a key play and the only way to defeat the game. Millens won the diamond and continued clubs tapping dummy. This guaranteed two trump tricks for the defense.

If declarer crosses to the diamond king and plays a heart to the nine for the infra-finesse, Millens can win her HJ and play a 4th club which removes dummy's HQ, leaving Millens with H:Kx and her partner with a natural heart trick.

There are other alternatives but none of them work.

At the table, after ruffing the club, Botta played a diamond to dummy's king, cashed the SA and continued spades to the king. She cashed the DQ, pitching dummy's last spade, played the SQ which Millens ruffed with the jack and Botta overruffed with the ace. Botta ruffed a club with the H9 and the defense was left with two tricks in trump.

In Wildavsky/Henner, both tables bid and made 4H.

WEST 4♥

In the Open Room, Pepsi declared from East. Graves led the CQ and switched to a diamond. Pepsi won and took the heart infra-finesse easily taking ten tricks after Gabay cashed her DA.

In the Closed Room, Uday declared from West. Doub led the CA and continued clubs. Uday won in hand and led a diamond toward the king. Doub ducked his DA and Uday took the heart infra-finesse, scoring 11 tricks when Doub's DA disappeared!!

Does North have the information to rise with the DA?

It appears that they do. Their best hope is probably to score two minor suit aces and two trump tricks. Presumably declarer has the SA or there be nothing to consider.

If there was a risk of losing two diamond tricks, why would declarer attack diamonds at trick two? Declarer must have king doubleton of diamonds so ducking is futile. There is only one possible reason to duck: to keep declarer from setting up a discard on the diamond queen... It seems that declarer has enough discards as it is with the running spade suit.

To her credit, Millens worked out to rise and was rewarded for her thoughtfulness.

On Board 4, 4H by East was the standard contract. Nine pairs played in 4H. Four succeeded.

4H is always cold as long as declarer plays for clubs and hearts to lie as they do.

Most defenders led a small diamond against the game. Typically, North won the diamond and switched to a spade. This play forced declarer to win the second spade in dummy and likely lead a heart toward their king, setting up the working restricted choice option, leaving declarer to guess the club position all on his own.

Given that South has already shown up with the DK, SA, SJ and HQ, declarer will generally play North for the CK and take ten tricks.

Declarer can attempt to confuse the diamond count by playing the D8 at trick one. (In fact, that is exactly what Billy Cohen did as declarer in the Open Room of the Cappelletti/Dinkin match. Doing this led Cohen's longtime friend and partner, Gary Cohler, to fall from grace grace and discontinue diamonds!!)

There is really no good reason to play a spade at trick two. Assuming North reads the diamond position correctly, the defense should play three rounds of diamonds, leaving declarer to guess everything on his own. For example, if declarer decides to test the black suits by leading a spade toward the KQ, South can duck, giving the impression that North has the SA! If declarer is left on his own, he might cash either heart honor first, possibly taking restricted choice out of the picture. Or, he might play on spades to get a feel for the position of the black honors. If declarer plays on spades, South can duck the first round creating that illusion that North holds the SA and South has the club king. Very interesting hand!

Board 10 is proof that "No one steals from Janice!!"

Janice opened 1D; Korbel responded 1H; Bill overcalled 1S, and Janice (who needs a spade stopper?) bid 2NT. Korbel raised to game and Rozanne led the spade deuce to Bill's ace generating a wish trick:

Bill switched to the CJ. Molson still has only 8 tricks, but Bill was under pressure.

Molson won the CQ in dummy and ran the diamonds, Bill discarding a spade followed by a heart and a club! NOW, Janice had her nine tricks!! 10 more IMPs to Lewis

Lewis kept punching away. They picked up 11 IMPs on Board 17 when Linda and Paul found the 6C slam while their counterparts in the other room, Yoko Sobel and Ronnie Smith, stopped in 5D.

The only other pair to bid slam on this Board were Parker/A Grossack. Grossack opened 1C!!! This was alerted as could be two. He must have mislicked or had his hand missorted (not likely with the Chromebooks!) because according to their convention card, the only time they open a two card club suit is when they are 4-4-3-2 and they were not. Whatever the bidding meant, they landed on their feet and scored 12 tricks.

In the other room, Andrew opened 1S; Migry bid 2C (2+); Andrew bid 2D (waiting); Migry bid 3D; Andrew bid 3NT and it ended.

Z Grossack led his 5th best heart and the contract was defeated before North/South gained the lead. 14 IMPs to Parker
